We were unable to conduct a presentence interview with Johnson in a timely fashion. Following our initially scheduled interview on July 1, 2008, we were advised by counsel's office that the defendant was transferred from MDC to FCI-Otisville. We then were asked to reschedule the interview for July 9, 2008, because Johnson would be transferred back to MDC. When he did not return to MDC on July 9<sup>th</sup>, we were asked for another interview date. Although we scheduled an interview for July 18, 2007, we first suggested that the defendant be interviewed via Video-Conferencing while in Otisville. However, counsel's office asked us to wait for Johnson to be returned to MDC. Because counsel's office was unaware that the defendant was transferred from Otisville to MCC (not MDC), the interview was again cancelled. Therefore, Johnson was not interviewed until July 25, 2008. Based on the foregoing, we will not be able to disclose the presentence report, pursuant to Rule 32. Therefore, we respectfully request that Your Honor adjourn the sentence until the week of October 9, 2008.

It is requested that Your Honor indicate that Court's decision as provided below and counsel will be notified of such.

Respectfully submitted,

Chris J. Stanton  
Chief U.S. Probation Officer
